INTRODUCTION

- We are at the beginning of the pastor search process.
- My purpose for preaching—is *for you* to DISTINGUISH what a Godly, Gospel-centered LEADER is.
- In Titus 1:6, we find 2 WAYS the next pastor we hire MUST be ABOVE REPROACH in how he manages his HOUSEHOLD.

I. He MUST be a ONE WOMAN MAN. (6b)

- A.** In most cases, he is not divorced.
- B.** He is not a polygamist.
- C.** He practices Sexual Purity.

II. He Must have FAITHFUL CHILDREN. (6c)

- A.** His children have a right attitude towards authority.
- B.** His Children are neither wild nor rebellious.

CONCLUSION

- If he fails his Family he fails His ministry.
- A family man must be God's Man.
